					<p>Will I meet the mentor?</p> <p>If you have received this leaflet, it is likely you have already received a visit to your home from the Project Coordinator. If the young girl chooses to have a mentor, they will usually be introduced at your home so you can meet them face to face.</p> <p>How long is the programme?</p> <p>The mentoring relationship lasts normally for around one year, but this can change depending on the circumstances of the young person.</p> <p>How will I know my child is safe?</p> <p>All mentors undergo mandatory safeguarding checks (PVG, DBS, etc.) and have references undertaken prior to recruitment. Mentors also receive specific training and ongoing support to help them choose activities that are both safe and fun, as well as adhering to YMCA policies and procedures. The Project Coordinator receives regular reports about the activities to keep an overview, and the young people are regularly asked for their feedback.</p> <p>Do I have to drop my child off and pick them up?</p> <p>The mentor will come to your home to pick up your daughter or the child you care for. The mentor will inform you of their planned activity, the location, and their estimated time of return. Mentors are encouraged to use public transport and can only use their own car to transport a child with your consent.</p> <p>What records do you keep?</p> <p>All records of activities and information are kept securely for monitoring and evaluation purposes. We always seek to maintain confidentiality. Please ask your Project Coordinator about our informed consent policy.</p> <p>What if I want to provide feedback?</p> <p>Parent and carer views are very important to us.
